TIME TO BUILD UPDATE
Gold Shovel Ground Breaking
TOMORROW, Sunday, March 26 at 2:00 PM. Please be prepared to give a good testimony of how new facilities will better serve our community. Let’s pray that this high impact event will honor God and make a good impression on the community.

Your Prayer Is Needed...
CMU has agreed to lease back the school building through October, 2017!
Pray that Maranatha volunteers who have RV’s can park on premises and volunteers can use showers, bathrooms, kitchen and a room for daily gatherings.
Pray that the city will grant timely approval on Civil Engineering requirements and permits as needed.
Pray for unity; that our hearts and minds be attuned to God's will as we trust Him to lead us in right paths and toward steady, healthy progress.
Pray for open hearts toward the financial requirements — both on the income and expense side of the equation. We are God’s servants and stewards of His wealth and will!

Little Lambs Learning Center
Everyone involved is excited to be moving to a new, larger learning center which will have a capacity of 80 children without the need of hiring more staff. The enlarged learning center will provide more storage, a larger kitchen, individual rooms for each age group, a larger playground with a multipurpose room/play area and teacher’s resource room.
